Accelerating research and development of new antibiotics and alternatives

To accelerate the development of promising 'leads', the Netherlands Antibiotic Development Platform (NADP) has introduced a financing instrument, the NADP Vouchers.

The NADP has reserved a budget of approx. 450,000 euro for the period 2018-2020. The Vouchers can be used in various phases of the drug development process to obtain advice and intensive supervision of research projects from independent consultants or contract research organisations.

NADP Vouchers

The NADP Voucher financing instrument includes:

1. Intellectual Property Vouchers

- For independent advice on legal support.
- Can be used for freedom-to-operate analyses, filing of patent application, and other relevant legal support activities.
- Compensation: max. 5,000 euro, corresponding up to 75% of total project costs.

2. Value Proposition Vouchers

- For independent advice on valorisation options for a new lead.
- Can be used for market analyses, drawing up a business plan and/or product development plan, including the development of a target product profile (TPP).
- Compensation: max. 15,000 euro, corresponding up to 75% of total project costs.

3. Lead Development Vouchers

- For independent advice, guidance, and execution of a project for the identification, selection and/or validation of a lead compound.
- Can be used for lead formulation, selection and optimisation, ADME / DMPK, and toxicology studies.
- Compensation: max. 50,000 euro, corresponding up to 75% of total project costs.

For whom

Knowledge institutions and small- or medium-sized enterprises that have a lead for the development of a new antibiotic or alternative therapeutic.

Conditions

The Vouchers may only be used for advice and/or supervision and execution of projects pertaining to leads for the development of new antibiotics and alternative therapeutics that comply with the NADP Research and Development Agenda (RDA).

An overview of the guidelines and conditions for applications as well as key requirements and entry thresholds for leads to enter this NADP financing instrument can be found on the website under NADP Vouchers - www.nadp.nl/nadp-vouchers/
